S. No.	Parameters
--------	------------

#### Situational Observation of Case

1.	<b>Understanding</b>	<p>The given case/ scenario and the questions are understood properly. (As reflected in the answers presented)</p> <div style="display: flex; justify-content: space-around; align-items: flex-end;"> <div style="text-align: center;"><input type="checkbox"/> Below Average</div> <div style="text-align: center;"><input type="checkbox"/> Average</div> <div style="text-align: center;"><input type="checkbox"/> Good</div> <div style="text-align: center;"><input type="checkbox"/> Excellent</div> <div style="text-align: center;"><input type="checkbox"/> NA</div> </div>
2.	<b>Contextual clarity</b>	<p>The core problem(s) presented in the case is/are identified as per the context</p> <div style="display: flex; justify-content: space-around; align-items: flex-end;"> <div style="text-align: center;"><input type="checkbox"/> Below Average</div> <div style="text-align: center;"><input type="checkbox"/> Average</div> <div style="text-align: center;"><input type="checkbox"/> Good</div> <div style="text-align: center;"><input type="checkbox"/> Excellent</div> <div style="text-align: center;"><input type="checkbox"/> NA</div> </div>
3.	<b>Theoretical concepts</b>	<p>The relevant theoretical concepts are identified from the SLM and the degree of correlation with case is ascertained</p> <div style="display: flex; justify-content: space-around; align-items: flex-end;"> <div style="text-align: center;"><input type="checkbox"/> Below Average</div> <div style="text-align: center;"><input type="checkbox"/> Average</div> <div style="text-align: center;"><input type="checkbox"/> Good</div> <div style="text-align: center;"><input type="checkbox"/> Excellent</div> <div style="text-align: center;"><input type="checkbox"/> NA</div> </div>

#### Analysis and application

4.	<b>Problem Analysis</b>	<p>All the issues/problems described in the case are analyzed and apt solution(s) presented based on related conceptual clarity in accordance with given question(s)</p> <div style="display: flex; justify-content: space-around; align-items: flex-end;"> <div style="text-align: center;"><input type="checkbox"/> Below Average</div> <div style="text-align: center;"><input type="checkbox"/> Average</div> <div style="text-align: center;"><input type="checkbox"/> Good</div> <div style="text-align: center;"><input type="checkbox"/> Excellent</div> <div style="text-align: center;"><input type="checkbox"/> NA</div> </div>
5.	<b>Logical support</b>	<p>The presented response/solution is well justified using logical statements and suitable examples</p> <div style="display: flex; justify-content: space-around; align-items: flex-end;"> <div style="text-align: center;"><input type="checkbox"/> Below Average</div> <div style="text-align: center;"><input type="checkbox"/> Average</div> <div style="text-align: center;"><input type="checkbox"/> Good</div> <div style="text-align: center;"><input type="checkbox"/> Excellent</div> <div style="text-align: center;"><input type="checkbox"/> NA</div> </div>
6.	<b>Contemporary Knowledge</b>	<p>The answer presents a grasp of present business environment with regard to the given topic(s) in the case pertinently</p> <div style="display: flex; justify-content: space-around; align-items: flex-end;"> <div style="text-align: center;"><input type="checkbox"/> Below Average</div> <div style="text-align: center;"><input type="checkbox"/> Average</div> <div style="text-align: center;"><input type="checkbox"/> Good</div> <div style="text-align: center;"><input type="checkbox"/> Excellent</div> <div style="text-align: center;"><input type="checkbox"/> NA</div> </div>
7.	<b>Futuristic outlook</b>	<p>The answer reflects a business acumen that manifests a holistic and futuristic thought process</p> <div style="display: flex; justify-content: space-around; align-items: flex-end;"> <div style="text-align: center;"><input type="checkbox"/> Below Average</div> <div style="text-align: center;"><input type="checkbox"/> Average</div> <div style="text-align: center;"><input type="checkbox"/> Good</div> <div style="text-align: center;"><input type="checkbox"/> Excellent</div> <div style="text-align: center;"><input type="checkbox"/> NA</div> </div>

<b>Presentation</b>	
8.	<p><b>Language and Expression</b> Unambiguous, subject inclined language, error free language is used to present the answer (The answer is concise, precise and comprehensive)</p> <p style="text-align: center;"> <input type="checkbox"/>                      <input type="checkbox"/>                      <input type="checkbox"/>                      <input type="checkbox"/>                      <input type="checkbox"/>            Below Average                      Average                      Good                      Excellent                      NA         </p>
9.	<p><b>Correctness</b> The information, calculations (if any) presented in the response are appropriate</p> <p style="text-align: center;"> <input type="checkbox"/>                      <input type="checkbox"/>                      <input type="checkbox"/>                      <input type="checkbox"/>                      <input type="checkbox"/>            Below Average                      Average                      Good                      Excellent                      NA         </p>
10.	<p><b>Completeness</b> The presented answer addressed all the parts of the given question(s)</p> <p style="text-align: center;"> <input type="checkbox"/>                      <input type="checkbox"/>                      <input type="checkbox"/>                      <input type="checkbox"/>                      <input type="checkbox"/>            Below Average                      Average                      Good                      Excellent                      NA         </p>
11.	<p><b>Innovative Presentation</b> The answer is presented in an innovative and professional manner</p> <p style="text-align: center;"> <input type="checkbox"/>                      <input type="checkbox"/>                      <input type="checkbox"/>                      <input type="checkbox"/>                      <input type="checkbox"/>            Below Average                      Average                      Good                      Excellent                      NA         </p>

**Specific Remarks (if any)**

**For ODL Exams**
